ORDER

GREGORY H. WOODS, United States District Judge:

For the reasons stated on the record at the conference held on May 31, 2022, Defendant's application for the modification of the conditions of his pre-trial release is granted. The conditions of Mr. Guzman's pre-trial release are modified as follows: The condition requiring home detention is removed. Mr. Guzman must comply with a curfew from 8:00 p.m. to 6:00 a.m. This condition shall be enforced by location monitoring at the direction of Pretrial Services. The Court expects that that Pretrial Services will use GPS monitoring, but may modify the location monitoring system to RF monitoring if conditions warrant and Mr. Guzman is in full compliance with all conditions of his pre-trial release. All of the other conditions of Mr. Guzman's pre-trial release remain in full force and effect.

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 7.

SO ORDERED.
